**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use an AT&T competitor using their unbundled lines for my internet and telephone service. And I have great service. I went with this service - Sonic - because it was cheaper than AT&T for phone and cheaper than Comcast for DSL broadband internet service.

I support broadband competition! Please do not take that competition away. Its bad for business.

Thank you
